Town Hall Meeting

Call on volunteers or assign students to read and answer.

### TEACHER DIRECTED

Teacher leads the class and students follow.

### TEACHER SUPPORTED

Students conduct with close teacher support and supervision.

### STUDENT DIRECTED

Students lead the classroom activities and manage classroom performance. Teacher evaluates.

Read the short story and answer the questions:

After dinner Sten has to do his math homework. He has to count the apples. Sten counts: "One, two, three". There are three apples.

Then, Sten counts the oranges: "Twenty-one, twenty-two, twenty-three." There are twenty-three oranges.

Finally, he counts the strawberries: "Ninety-eight, ninety-nine, one hundred." There are one hundred strawberries.
